

**What  
good  
is an idea  
if it  
remains  
an  
idea?**

**TRY. EXPERIMENT.  
ITERATE. TRY AGAIN.  
CHANGE THE WORLD.**

An aerial, high-angle photograph of a soccer field. The field is green with white yard lines. Several players are visible on the field, wearing green and white uniforms. The image is slightly faded and serves as a background for the text.

*Your idea deserves to be heard.*

*Morris Interactive turns ideas into solutions to communicate your messages clearly, meet your goals, and exceed expectations. From thought leadership and business strategy, to everyday employee communication and team engagement.*

# ABOUT US

In order to meet our clients growing needs we are continually offering new and engaging workshops ranging from Leadership Development Programs, to Communication Training, Sales and Customer Service to Strategic Planning Sessions.

Our workshops combine extensive subject matter expertise, leading tools and techniques, participant feedback, and emerging management wisdom in order to help you improve your performance and make more informed decisions.

Our state of the art step-by-step process results in a unique and relevant experience designed with your organizations' needs in mind. Whether you are looking to build capacity, develop strong leaders and communicators, or hosting a retreat; Morris Interactive has an array of workshops and team building activities to offer! We will work with you organization to design a training program that fits with your organizations needs.

Our established portfolio of core offerings allows our clients the flexibility to adapt our existing programs and deliver them to their employees in a way that best suits individual, team or organizational development needs.
