**For Release: September 13<sup>th</sup>, 2016**

### **MORRIS INTERACTIVE EXPANDS INTO THE US WITH HEAD OFFICE IN FORT COLLINS, COLORADO**

**Saskatoon, SK** – Recognizing a need for their people focused approach to business, Morris Interactive has officially opened their US head office in Fort Collins, Colorado. This move is largely driven by the success Morris has seen in Canada through its partnership with Wiley, which offers several professional development programs including Everything DiSC® and Five Behaviors of a Cohesive Team™.

“As we continue to grow our consulting practice, and diversify our client base we felt that the timing to establish a real presence in the US market was ideal” said Morris Interactive CEO, Mathew Cey, continuing “we believe the Colorado market provides some strategic advantages for growth, while still remaining connected to our Canadian operations.”

Clients and those interested in learning more about the services Morris Interactive provides will have an opportunity on September 14<sup>th</sup>, 2016 in Denver, CO or on September 15<sup>th</sup>, 2016 in Colorado Springs, CO both days are from 8:30am – 10:30am and include a showcase as well as breakfast. To register and receive complimentary admission for two please contact [morgan@morris-interactive.com](mailto:morgan@morris-interactive.com)

**About Morris Interactive:** Founded in 1995, with offices across Canada and now expanding into the United States, Morris has established a reputation for helping companies solve their most complex people problems. What started as a training organization in 1995 has matured and evolved into a full-service consultancy that offers expertise and thought leadership across the spectrum of business complexities. Morris has worked with clients in numerous industries including: healthcare, agriculture, construction, oil and gas, post-secondary, insurance, as well as working with countless aboriginal and indigenous communities.
