To Whom It May Concern:

**REGARDING: Ron Morris Seminars**

We at Saputo had an opportunity to work with the Ron Morris Seminars training group in 2005. Their group has met our needs as it relates to developing the skills and mindset of our supervisors and managers for the Saskatoon Operations.

I would be happy to answer any questions that you have regarding the quality and delivery style of these services. Please contact me directly (664-0245) to discuss further.

Yours truly,  
**Dairy Products Division (Canada)**
